HD Pro Spotlight

Welcome Workers Back to the Office Safely

As more members of the workforce begin returning to the office, creating a safer environment is key to providing assurances and helping to protect their well-being. Count on us for smart strategies that help you reopen and re-enter commercial properties, and shop from our wide assortment of essential products to get started. Have a large project or product kitting needs? We can help, connect with your local Sales Executive (below).

Our Comprehensive Guide Includes:

- Tips and resources to help make returning to the office safer and healthier for everyone
- A return-to-the-office checklist
- A list of EPA-registered products to make choosing the right supplies easier
