

May 27, 2020

Mr. Romel Nicholas
National Flag Foundation
Koppers Building
436 Seventh Avenue
Suite 2200
Pittsburgh, PA 15219

Dear Romel,

It's our distinct pleasure to lend our support to The National Flag Foundation (NFF) by promoting participation in Flag Day during the weekend of June 14, 2020. We are encouraging members to proudly light their buildings red, white and/or blue for National Light Up Night to Unite as a show of national unity and respect for the lives lost and for all those who have worked tirelessly to assist our country as we fight the pandemic. For those unable to light their buildings, we are asking them to fly the US Flag.

We look forward to joining other BOMA locals across the country to show our support and recognize our country's resurgence. We appreciate the opportunity to participate and look forward to seeing our wonderful nation lit in brilliant red, white and blue.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sarah E. Kuester". The signature is stylized and fluid.

Sarah E. Kuester, CAE
