EARLY CHILDHOOD CENTER

ABOUT US

Founded in 1961, St. Mary's Early Childhood Center's mission is to impact preschool children, who come from poverty, with high quality learning experiences that will transition into a foundation for lifelong success. Based on the premise that the children we serve are inherently competent, capable, and strong, St. Mary's Early Childhood Center:

- Impacts pre-school children in poverty—who are at life and learning risk—with the highest quality cognitive, creative, social, physical, and emotional learning experiences that will transition into a foundation for lifelong success.
- Integrates highly effective professional educators with a proven learning philosophy.
- Uses qualitative measures to show impact.
- Is accountable to the children and families served, stakeholders and contributors, and the early childhood learning community.

Young children who grow up in poverty are likely to enter school two years behind more advantaged peers and the achievement gap continues to widen during their school experience leading them to drop out of school and often into a life of crime and violence. Research indicates, however, that the involvement of a child in a high-quality early childhood program results in significant life-long positive outcomes.

St. Mary's Early Childhood Center offers two initiatives that are designed to impact school readiness and provide significant life-long positive outcomes: the Preschool Program and Professional Development Program. We impact hundreds of children through the Preschool Program and over one thousand educators through the Professional Development program annually.

EVENT DETAILS

Join us on April 16 at the Ritz Charles for Breakfast with Anthony Calhoun. With a networking hour prior, you will be able to enjoy the coffee bar with your colleagues. During the plated breakfast, you will learn more about St. Mary's Early Childhood and the children we serve before Anthony Calhoun takes the stage.

Emmy Award-winner and Evansville native Anthony Calhoun leads the most dynamic TV sports team in Indiana as Sports Director and main anchor at WISH-TV. As one of the most versatile sportscasters in Indy, A.C. has also served as a play-by-play announcer for NCAA Basketball on ESPN, as well as the voice of Butler Basketball on WNDY-TV.

When he's not on the air, A.C. spends his free time helping others, whether as serving as emcee for charitable organizations, or fundraising to help children in need. The AC Golf Classic has raised over \$2 million to promote excellence in inner-city youth education. Each year, A.C. brings together local athletes, celebrities, business and community leaders in what has now become one of the most successful and popular golf fundraisers in Indiana.
